**Experience of the moment**

**Save away for that rainy day:** I had talked about getting my other eyebrow pierced since I got my other one pierced. Today was a cold rainy day so I knew that Skinart wasn't going to be really packed, so I headed on over there in hopes of getting pierced (if Chris wasn't there, I wasn't going to get it done). So I walked in the door and he was standing right at the counter and I did the 'super star' thing when I saw him because I was even more excited about getting my piercing ([more](#))
